**RESOURCE COMMITTEE
LEGISLATIVE CONFERENCE ROOM**

July 16, 2007

4:00 p.m.

CALL TO ORDER / INVOCATION / ROLL CALL:

Chair Martin called the meeting to order. Council member Yargee gave the invocation. Roll was called and a quorum was established.

APPROVAL OF MINUTES:

Councilman Bill John Baker made a motion to approve the minutes of the June 11th regular session. Councilman Garvin seconded the motion. Motion carried.

REPORTS:

Natural Resources:

Ms. Angela Drewes announced they have completed the work at the orphan cemetery. She stated through research they have discovered there aren't any orphans in the cemetery it is actually it is the deaf, dumb, blind, and insane asylum kids. She stated the actual name of the cemetery is the "Cherokee Asylum Cemetery". She announced the communications department is developing a report of the findings. She announced the historical marker that was once placed at the site has been moved to another site and will be replaced. The Natural Resource department has taken the rocks from the original 3rd story of the Cherokee Jailhouse and used them as markers at the Orphan cemetery. There has been fencing placed and a pathway made. She announced the Natural Resource staff did this project as a special project. They held meetings this month with the Lessees in Cherokee, Adair, and Delaware counties to provide a review of the lease agreement and reiterate the rules. She announced they are working with facilities to do some tree trimming and pruning. They will be using a chipper and replacing the mulch back on the property. Councilman Keener inquired if the lease land went to the highest bidder. Ms. Drewes stated it does go to the highest bidder. She stated they do allow partnering but not sub leasing. Councilman Keener inquired why local people can't lease. Ms. Drewes stated the first lease term she was at the Cherokee Nation it was Indian preference and it has since changed to go to the highest bidder. She stated she was unsure as to why it changed however they are reviewing the leasing policy at this time. Chair Martin stated he receives similar complaints and would like a report provided to this committee stating how the policy was changed and why. Ms. Drewes stated some of the highest lease payers in Adair and Delaware are tribal members. Ms. Billie Nave Masters commented she would prefer Cherokee preference and felt this Committee should make a stand. Councilman Thornton inquired as to how much of the land is prairie, grazing, hay and so forth along with how much per bail. Ms. Drewes stated they have a report containing this information and would ensure the committee is provided a copy.

Real Estate Services:

Ms. Linda Donelson stated Real Estate Services has received and returned 888 phone calls, had 87 individual clients in the office, completed 34 site inspections, completed 3 probate inventories. They had 5 home visits, 17 jurisdictional calls, 11 quiet titles, and 3 will interviews.

Ms. Donelson provided a handout of an article regarding the SAFE house in Cherry Tree. She stated this is the home the Cherokee Nation bought back last year. She announced they discovered restricted land in foreclosure. She stated the mortgage on the property was invalid and the property will be protected. Councilors from District 8 inquired about the status of the Ramona property. Ms. Donelson stated they have finally reached an agreement with the land owner and are now waiting on an appraisal. Councilor Cowan Watts inquired if we had title to the Claremore federal building. Ms. Donelson stated we do not there have been personnel issues in the DC office. She also stated we do not have title to the Sallisaw Creek property.

Roads & Transportation:

Mr. Michael Lynn. He provided the following update of IRR roads:

- Cedar Crest Road and Bridge – Received a lengthy list of demands from a landowner. They are working on the response at this time.
- Daytown Dry Creek – Paragon Contractors from Tulsa won the bid. A pre construction meeting was held on the 10th with good attendance.
- Red Barn Road –progressing slowly, weather problems
- Fairview Euche phase II – 40-50% complete

Facilities:

Mr. David Roberts reported the facilities department has been doing roof repairs at the complex. The backup generator for the complex arrived today. With all the rain mowing is a constant. They are preparing for the holiday by doing electrical upgrades at the pow wow grounds. They are also working toward getting the scoreboard installed at the softball fields. Councilor Cowan Watts inquired about the bathrooms and concession stand at the pow wow grounds. Mr. Roberts stated he is only doing the electrical portion that Construction Management is doing the other portion.
