**TRIBAL-STATE MOTOR VEHICLE LICENSING COMPACT
BETWEEN THE CHEROKEE NATION
AND THE STATE OF OKLAHOMA**

This Tribal-State Motor Vehicle Licensing Compact (hereinafter, "Compact") is entered into by and between Cherokee Nation, a federally recognized Indian tribe (hereinafter, the "Nation"), and the State of Oklahoma (hereinafter, "State"), to be effective upon the date described hereinbelow.

Section 1: Recitals.

- a) The Nation is a federally recognized Indian tribe with its capital located in the City of Tahlequah, State of Oklahoma.
- b) On the 15th day of January, 2001, the Nation's Tribal Council enacted a new motor vehicle code, L.A. 01-01, a copy of which is attached hereto as Exhibit A, pursuant to which the Nation intends to exercise its authority to issue motor vehicle licenses to its citizens within the boundaries of its jurisdictional area to the extent authorized under applicable decisions of the United States Supreme Court. Said boundaries encompass a portion of the lands within the Indian Territory that were ceded by the United States to the Nation pursuant to the Indian Removal Act of 1830, 4 Stat. 411, the 1835 Treaty of New Echota, 7 Stat. 478, and a fee patent executed by the President of the United States pursuant to Article 3 of said treaty. These ceded lands included what is now all of present-day Sequoyah, Adair, Cherokee, Mayes, Delaware, Rogers, Washington, Nowata and Craig Counties, and portions of present-day McIntosh, Muskogee, Wagoner, Tulsa and Ottawa Counties, in northeastern Oklahoma.
- c) The Nation and the State have agreed that it would be in their respective best interests to enter into this Compact that would coordinate the Nation's motor vehicle licensing system with that of the State in the manner and to the extent set forth hereinbelow.

Section 2: Purpose and Scope. The purpose of this Compact is to set forth the agreement between the Nation and the State with respect to the Nation's licensing of Motor Vehicles and other Vehicles owned by the Nation's enrolled Citizens in accordance with the provisions of the Cherokee Nation's motor vehicle licensing code, LA 01-01, as in effect on the date this Compact is effective (hereinafter, the "CN Motor Vehicle Code"); coordinating the use of and/or access to motor vehicle titling and registration information with the State for law enforcement and other purposes; developing agreed-to procedures for communicating and transmitting such information; and allocating a portion of revenues collected by the Nation from the licensing of

vehicles for the benefit of schools and certain counties and municipalities within the Nation's jurisdictional area .

Section 3: Definitions. Wherever used in this Compact, the words and phrases set forth below shall have the following meanings:

- a) *Citizen* shall mean a person who is an enrolled member of the Cherokee Nation.
- b) *Jurisdictional Area of the Cherokee Nation* shall mean the area in the State of Oklahoma that lies within the boundaries of the Cherokee Nation as more particularly described in Exhibit B attached to this Compact.
- c) *Motor Vehicle* or *Vehicle* shall mean any vehicle (including trailers) required to be registered under the provisions of the Oklahoma Vehicle License and Registration Act, 47 O.S. §§1101 *et seq.*, or any other laws of the State of Oklahoma.
- d) *Tribal Motor Vehicle License* shall mean a license plate or tag issued by the Cherokee Nation for a particular Motor Vehicle or other Vehicle in accordance with provisions of the CN Motor Vehicle Code and of section 3 of this Compact.
- e) *Nation* shall mean Cherokee Nation.
- f) *State* shall mean the State of Oklahoma.

Section 4: Tribal Motor Vehicle License. The parties stipulate and agree that the Nation, as a federally recognized Indian tribe, has the sovereign authority to issue motor vehicle licenses in accordance with the United States Supreme Court's decision in *Sac & Fox Nation vs. Oklahoma Tax Commission*, 508 U.S. 114 (1993). However, certain issues remain unresolved after the Court's decision in *Sac & Fox Nation*. To avoid the uncertainties and costs associated with litigation, and to promote a cooperative relationship between the Nation and the State of Oklahoma, the Nation and the State agree as follows:

- a) The Nation agrees that it will issue Tribal Motor Vehicle Licenses only to persons who are Citizens residing within the Jurisdictional Area of the Cherokee Nation and in accordance with the provisions of the CN Motor Vehicle Code. The Nation agrees that it will not issue Motor Vehicle Licenses to persons who reside outside the Jurisdictional Area of the Cherokee Nation or to any person living within the Jurisdictional Area of the Cherokee Nation who is not an enrolled citizen of the Cherokee Nation. The State agrees to recognize the validity of tribal motor vehicle tags issued to persons residing within the Jurisdictional Area of the Cherokee Nation provided that said tags are issued to a Citizen in

accordance with the provisions of the CN Motor Vehicle Code and this Compact.

- b) Notwithstanding any other provision of this Compact, the Nation and State agree that enforcement and administration of the CN Motor Vehicle Code shall be the sole and exclusive responsibility of the Nation. This Compact shall not be construed, and is not intended, to enlarge, diminish or otherwise affect the civil or criminal law enforcement jurisdiction or obligations of either party.

Section 5: Tribal Motor Vehicle Information; Use of Oklahoma Tag Agents.

- a) The Nation and the State agree that each has a significant interest in sharing information relating to the registration of Motor Vehicles and other Vehicles by the Nation and by the State so that (i) the Nation can verify registration information furnished by its Citizens when applying for tribal motor vehicle licenses for vehicles previously registered with the State of Oklahoma, and (ii) law enforcement officers and agencies of the State of Oklahoma, other states and other Indian tribes can promptly verify the ownership and the current registration status of automobile and other vehicles bearing Motor Vehicle or other Vehicle license tags issued by the Nation. Accordingly, the Nation and the State agree to cooperate in developing a system and protocol for sharing such registration information and, to the extent feasible, including the Nation's Motor Vehicle and other Vehicle registration information in the State's database or making other arrangements so that such information is readily accessible to law enforcement officers and agencies in and outside of Oklahoma.
- b) The parties acknowledge that, if technologically feasible, the Nation intends to work and consult with the Oklahoma Tax Commission (OTC) so that Motor Vehicle ownership and registration information may be transmitted to the OTC and included in its motor vehicle information database to the OTC so that state, local, federal and tribal law enforcement and other governmental agencies may have access to such information to the same extent, and in the same manner, that such agencies have access to such information with regard to motor vehicles registered with the OTC.
- c) The parties further agree that the Nation may negotiate appropriate agreements with Oklahoma Tag Agents to process the Nation's Motor Vehicle registration and licensing documents and transmit information relating to Motor Vehicles registered by the Nation to the OTC as stated in paragraph (b), above. The fees and charges for services performed by any such Agents on behalf of the Nation shall be as negotiated by the Nation and the Agents and neither the State nor any political subdivision of the

State, including the Oklahoma Tax Commission, will bear any responsibility for such fees and charges.

- d) Regardless of whether the Nation engages the services of Oklahoma Tag Agents in transmitting Motor Vehicle registration and ownership information to the State pursuant to this Compact, the parties acknowledge, stipulate and agree that the Nation shall have the sole and exclusive responsibility for issuing certificates of title and registration with documents for Motor Vehicles and Other Vehicles titled and registered by the Nation under the CN Motor Vehicle Code and this Compact. The accuracy and maintenance of all records relating to said Motor Vehicle titles and registration information shall be the sole and exclusive responsibility of the Nation.

Section 6: Payments to Oklahoma Public Schools, Sequoyah High School, Certain Highway Projects, Counties and Municipalities. The Nation has adopted the CN Motor Vehicle Code providing for annual payments by the Nation of a portion of Tribal Motor Vehicle Licensing revenues to Oklahoma public schools, counties, municipalities, and federally- and/or State-funded highway construction or maintenance projects located within the Jurisdictional Area of the Cherokee Nation, as well as to Sequoyah High School and the Cherokee Nation Marshal Service. Said payments shall be made by the Nation directly to the schools, agencies conducting such highway projects, counties, municipalities and Marshal Service in accordance with the CN Motor Vehicle Code, as in effect on the date on which this Compact is effective, and the annual appropriations thereunder. Provided, as a condition of this Compact, the Nation agrees to appropriate and distribute each year during which this Compact remains in effect: (1) an amount equal to 38% of all fees and taxes collected annually by the Cherokee Nation Tax Commission under the CN Motor Vehicle Code to said public schools and Sequoyah High School in accordance with the allocation formula set forth in Section 105C(2) of said Code; (2) an amount equal to 20% of all such fees and taxes so collected for expenditure on the construction or maintenance of the following highways within the Jurisdictional Area of the Cherokee Nation: federal highways, state highways or highways constructed or maintained with funds apportioned pursuant to 47 OS section 1104(A) that are part of the counties' collector system, all in accordance with section 105(C)(3) of said Code; and (3) an amount equal to 5% of the amount of such fees and taxes remaining after payment of the Nation's costs incurred in administering the CN Motor Vehicle Code to counties and municipalities within the Jurisdictional Area of the Cherokee Nation and/or to the Cherokee Nation Marshal Service, as provided in Section 105C(4) of said Code. The Nation further agrees that it will continue making said annual payments to said schools, counties, municipalities, Marshal Service and highway construction or maintenance projects so long as this Compact remains in effect.

Section 7: Sovereign Powers Unaffected; No Partnership or Agency Created. Nothing in this Compact is intended or shall be construed to enlarge, diminish or otherwise affect the sovereign powers or jurisdiction of either party over any persons or territory. Further, this Compact is not intended, and shall not be construed, to create a partnership, joint venture or agency relationship between the Nation and the State.

Section 8: Term. This Compact shall remain in effect for a period of 10 years, commencing on the effective date described in Section 9 hereof, and shall automatically renew for a like period unless prior to the end of the initial term either of the parties gives written notice to the other that the Compact shall not be renewed. Provided, however, the parties agree that either party may terminate this Compact without cause by giving the other party 90 days' written notice in accordance with Section 9 hereof, and provided further that either party may terminate the Compact for cause by giving the other party 20 days' written notice in accordance with said Section, which notice shall state the conduct, occurrence or condition giving rise to cause for termination. Provided, the parties agree that if either is terminating for cause, the party proposing to terminate the Compact should—but is not required to—give the other party opportunity and reasonable time to cure or otherwise correct the conditions described in the notice as grounds for termination.

Section 9: Effective Date. This Compact shall go into effect when it has been executed and/or approved by all of the following: the Governor of the State of Oklahoma, the Joint Committee of the Oklahoma Legislature on State-Tribal Relations, the Principal Chief of the Cherokee Nation, and the Tribal Council of the Cherokee Nation.
