

We have received the Compensation Committee's recommendations, and have had it under review for some time.

We thank the Committee members for their diligent work.

Based upon these recommendations, I move that we approve compensation levels, but change the effective date to Aug 14, 2011.

Further, beginning August 14, 2011 the Elected Officials compensation would be the following:

Chief \$136,676.38 (committee's recommendation)

Deputy \$75,000 (slightly higher than the committee's recommendation of \$69,827.52)

Council \$44,305.20 (committee's recommendation)

Speaker \$50,000 (the committee did not recommend a different salary for Speaker. However, it is justified due to the additional workload)
