Re: Road & Bridge Project Requests for this month

Chairman Baker,

Attached are the project requests and summary reports by council member for the Motor Fuels and Motor Vehicle Funds as well as the new Bridge/Access project requests. All current requests included in this month's package fall within each respective Council Member's allocated balance. As reported previously, the apportionment of the Motor Vehicle Tax revenues for Roads is being brought forward in this month's budget modification package. You will see these available funds reflected on the "MVT Road Projects – Summary of Available Balance" report attached.

If you have any questions or comments, please do not hesitate to contact me.
