**B. MOD #1 Request - Increase in budget authority - \$ 20,000**

1. Cherokee Nation Driving Out of Poverty – 10104205 – Tribally Funded: New budget requesting expenditure authorization of \$20,000 for the program authorized with Resolution 32-24. This budget was added late in fiscal year 2024 and was not included in the 2025 comprehensive budget; therefore, is now showing to be new again. Funding provided by the loan payments received on the vehicles as well as carryover from 2024.

**Summary:**

After reviewing the submission of the operating modification by the administration, I find no technical issues surrounding these requests, nor do I have any unmentioned concerns related to their

respective carryover estimates. If I can provide any additional information, please do not hesitate to contact me.
