REPORTS:

Councilor Bill John Baker made a motion to amend the agenda to include a resolution donating optometry equipment to NSU optometry. Councilor Jack D. Baker seconded the motion. Motion carried.

1. Claremore Service Unit - George Valliere

Mr. Valliere announced they eight additional CHEF cases to be sent in for reimbursement from IHS with several others pending. They have approximately 600 new or reactivated charts for the month. He stated if they maintain the current tract they will break the \$12ml mark in collections. They are anxiously waiting word on the stimulus package. The unofficial word is they will be receiving a CT machine.

2. Cherokee Nation Health Services - Melissa Gower

Ms. Gower announced it is nurses' week and they have sent out cards to each and everyone showing appreciation. Dr. Gloria Grim gave an update on the Swine flu.

She announced the CDC has reported 3009 lab confirmed cases within 44 states and the District of Columbia. There are an additional 643 probable cases. She stated there are 20 confirmed cases in Oklahoma. She expressed hope this would bring awareness to how many deaths there are each year with the general flu and increase immunizations. She announced stations are set up throughout the complex and clinics with supplies of masks, hand sanitizer and Kleenex. They are providing pamphlets of information regarding the flu. Councilor Fishinghawk requested information regarding a program for surgeons being able to work for the tribe. Councilor Buzzard inquired why the rooms at Hastings were converted to private rooms. Dr. Grim stated for a number of reasons such as, patient privacy, family and most of all infection control. She stated the rooms can easily converted back by wheeling in another bed. Councilor Bill John Baker compared the third party collections for the past few years and this year. He inquired when we would get over the bubble. Ms. Gower stated they met a couple of weeks ago where the billing staff had completed an assessment of 11,000 claims to be billed. They gave a 45 day time frame to catch up on the claims. Councilor Snell requested the number of patients with smoke related diseases in the clinics and the hospital. He further asked how much money it costs the Cherokee Nation to care for these patients.
