- New Pharmacy Supervisor: Mike Vowell

Wilma P. Mankiller Health Center (WPMHC):

- Youlanda Cain received an Executive Director Award

100 South Bliss Avenue, Tahlequah, OK 74464
918-458-3100

Memorandum

To: Connie Davis
From: Brian Hail
Date: March 20, 2015
Subject: February 2015 Executive Summary for W.W. Hastings Hospital

- I attended the Cherokee Nation Legislative Day on February 18, 2015, and also served as Nurse of the Day at the Oklahoma State Capitol.
- On Thursday, February 26th, we hosted a group from Storz Endoskope to continue our work on pilot projects between Cherokee Nation Health Services and Storz.
- During the evening of February 26th, I attended and helped present during the Cherokee Nation Health Services Awards Ceremony.
- Throughout February, we experienced inclement weather and relied heavily upon our Facilities Management staff to conduct snow and ice clearing operations. Our providers and staff exhibited a great dedication to maintaining operations regardless of the challenges presented by the weather. In particular, our ambulance crews demonstrated great fortitude as they continued to respond to emergency calls and conducted transfers as soon as road conditions were deemed to be passable.

Cherokee Nation W.W. Hastings Hospital

March 2015

Announcements

- The Hastings Auxiliary purchased two mobile device charging stations to provide a convenient way for patients to recharge their electronic devices; the devices have been stationed in the Dining Room and in the ED's large waiting area so that patients and visitors can have access to a quick recharge for their mobile phones.

Achievements

- On February 4th, in recognition of the efforts by our Orthopedic Clinic providers and staff in eliminating the waiting list for major orthopedic procedures (e.g., hip and knee arthroplasty, carpal tunnel release, etc.), an ice cream social was provided for the providers and staff to express appreciation for their hard work and diligence in working through our backlog of patients awaiting these life-changing procedures.
- Dana Mann, one of our Respiratory Therapists has passed the Neonatal Pediatric Specialist (NPS) exam, offered by the National Board of Respiratory Care. The NPS exam objectively measures the essential skills and abilities required of the Respiratory Therapist to provide treatment and evaluation for patients with respiratory insufficiencies and attend high risk deliveries as part of our neonatal resuscitation team.

Volume

- The ED and Urgent Care treated 6,196 patients during February 2015 and experienced a Left Without Being Seen (LWOBS) rate of 2.35% in the ED and 7.34% in Urgent Care.. ED Arrival to Discharge time held at 153 minutes, 12 minutes above our goal; ED Arrival to Transfer was 311 minutes; ED Arrival to Admission to Med-Surg was 341 minutes and ED Arrival to Admission to ICU was 289 minutes.
- Surgical Services performed 362 surgical procedures during February 2015.
- Transport Services transported 101 patients during February and traveled 5,173 miles.

Monthly report for Dental Health Services – February 2015

Patient Visits: Any visit for treatment in the clinics. A clinical visit includes Exams, Emergency Exams, Return visits for treatment, Diabetic Screenings and Headstart screenings.

Clinic	Current month	Previous month	(+/-)
WW Hastings-Tahlequah	1513	1613	(-)
Wilma P Mankiller-Stilwell	570	675	(-)
Three Rivers-Muskogee	1162	1349	(-)
Vinita Health Center-Vinita	705	736	(-)
Redbird Smith-Sallisaw	696	740	(-)
Sam Hider-Jay	623	568	(+)
Amo-Salina	<u>506</u>	<u>580</u>	(-)
Total	5775	6351	(-)

Summary: The decrease in patient visits is attributed to poor weather and a shorter month overall. The increase in the Jay clinic is noted from a new provider starting to get his schedule up to speed where we were short a provider in earlier months.

Examinations: Appointments where the patient is evaluated for routine care. This can be a 6-12 month recall appointment after all treatment is complete or a new patient exam for someone who has never been to our facility before or has not been seen other than for emergency treatment in over a year.

Clinic	Current month	Previous month	(+/-)
WW Hastings-Tahlequah	210	292	(-)
Wilma P Mankiller-Stilwell	100	114	(-)
Three Rivers-Muskogee	305	323	(-)
Vinita Health Center-Vinita	164	164	(-)
Redbird Smith-Sallisaw	112	114	(-)
Sam Hider-Jay	139	124	(+)
Amo-Salina	<u>66</u>	<u>69</u>	(-)
Total	1096	1200	(-)

Emergency Exams: These are unscheduled walk in patients. We have a policy to see all walk in or emergent care patients same day.

Clinic	Current month	Previous month	(+/-)
WW Hastings-Tahlequah	238	289	(-)
Wilma P Mankiller-Stilwell	142	157	(-)
Three Rivers-Muskogee	138	189	(-)
Vinita Health Center-Vinita	129	210	(-)
Redbird Smith-Sallisaw	85	66	(+)
Sam Hider-Jay	100	105	(-)
Amo-Salina	<u>120</u>	<u>155</u>	<u>(-)</u>
Total	952	1171	(-)

Community Dentistry: Community Dentistry team is responsible for visiting schools and headstart programs to do sealant and fluoride applications. This team travels to clinics without Dental Clinics to do screenings and facilitate patient access. They also coordinate education services and community meetings.

Schools visited: Lowery, Halsell Hall(Vinita), Will Rogers(Vinita), Ewing(Vinita), Rocky Mountain, Zion, Grandview, Brushy, Gore

Headstarts visited: Stilwell, Redbird, Jay, Wauhilla(Nowata), Vinita, Cherry Tree, Grandview, Brushy, Webbers Falls

Community Meetings:

Education Programs: Prenatal and Diabetic oral care at Hastings Hospital,

The team placed **599 Fluoride applications, 147 sealants placed and 181 Dental Screenings.**

Summary: I must commend Dr. Speed and her team for continuing the efforts to get to the schools to provide preventative services despite the poor weather.

- **Diabetes Program-** The program held a special meeting on January 9th with Certified Diabetes Educator staff and other Diabetes Program staff who are involved with distribution of diabetes supplies to patients. The purpose was to discuss current processes throughout our health system and to brainstorm ideas on how we might improve the process. **81** patients attended the Diabetes Self-Management Education classes in February.
- **Diabetes Prevention Program (DPP)** – The program has served **490 participants**. **Core Classes:** will start in March with Tahlequah classes and Salina. **Community Events:** Housing Authority Admin Office Weight Loss Challenge – weigh-in on 2/5, 2/11, 2/19, and 2/26. **Referrals:** Beginning Oct 1st, 2013 to present day:**674**
- **Dietary Services** –Reports that they served **552 clients** during the month of January. **MNT Classes: 113(This is the number of participants in the classes)** **Worksite Activities:** PN Classes, DSME Classes; DM Classes; Lipids Classes, Hypertension; Weight Mgmt Classes; PreDM, HTN Classes; Kindergarten Nutrition Lesson; DPP Nutrition Session; Cooking Classes. **Special Projects:** Biggest Loser Contest, DM MNT Weekly Audits, Log Teaching Kitchen Refrig/Freezer Temps-weekly, Notify Nurse Manager weekly of DM pts that need added to DM Registry, Research nutrition info needed for patient appts, Million Hearts Initiative, Heart of the Nation Expo, , Community Garden, DM Surveys, iCare for DM patients, Kid's Health Fair-Nutrition Booth, Bulletin Board Contest-Million Hearts. **New Staff:** None.

Total Providers: 282
Total Positions: 35
Providers with start dates: 12
Total vacant positions: 23
Percent Vacant: 8%

- **Breast and Cervical cancer early detection Program** – The program served **193 Indian/Cherokee women** (Clinical Breast Exam, Mammograms, Ultrasound, Pap smear, HPV testing, Colposcopy with or without biopsy) at the cost of **\$22,136.14**. Educational events were held at Vinita, Bartlesville, Sam Hider Jay HC's and Claremore Indian Hospital.
- **Cancer Registry**– The program is in the process of hiring a new registrar. Presently the Cherokee Cancer Registry now has a total of **7,042 cases** in the SEER*DMS system. **Top Cancer Sites:** Lung and Bronchus, Breast, Prostate, Kidney and Renal Pelvis.
- **CN Emergency Medical Service**–CN-EMS handled **373 calls**, of those **124** required emergency transport, **115** were transferred. In addition program provided EMS training to **732** participants of those **255** were Native Americans.
- **Behavioral Health Services**– Behavioral Health provided mental health and substance abuse services to **1815** patients, of those **1139** were **unduplicated patients**. Of the patients served at the Tahlequah and CIH sites, **958** were Cherokees citizens.
- **Jack Brown Center**– The new location of the JBC up and running. The JBC served a total of **22** clients of those **14** were males and **08** were females.
- **Community Health Program– February Report**–the program focused on extensive community engagement and outreach to promote healthy living, specifically the following areas,
 - Tobacco/Smoking cessation
 - Promoting physical activities,
 - Promoting healthy Nutrition

Community Recreation Center

Total Members: 8,931

Revenue: \$9,060.00

Total Visits: 12,751

Total Group Fitness: 2,954

Total Child Watch: 649

Adult Tobacco Survey

The Adult Tobacco Survey is 100% complete and we are now continuing the data input phase of the project.

Public Health Accreditation

The pre-review team has looked at our application. We are in the process of providing some simple clarification to a few of our items and are awaiting a scheduled visit from the accreditation team for the site visit. Signage and other items are being designed.

Sequoiah County

- Assisted RBHC Employees at the fitness center
- WINGS promotion with Roland Casino Employee
- RSHC Running Club meeting
- Gary Lattimore Memorial Scholarship 5K Race planning meeting with Council Member Fullbright
- Planning Meeting with Boys and Girls Club Glow Run
- Continuation of the Biggest Loser Competition
- Certified Healthy Banquet in Norman-Went with the clinic administrator to accept the Excellence recognition from the state.
- Hosted a Healthy Potluck Luncheon
- Partnership with RSHC Nutrition Department and Casino- national heart health month presentation.
- House of Gains in Roland passed smoke free business policy
- Met with representative from Cliffs pharmacy on tobacco free business policy and provided tobacco free signage and door stickers.
- Hosted Smoking Cessation Classes at Del Tile in Muskogee

- Talked to department heads about the summer youth camp. Asked department heads to give me ages of employees kids and talked about what departments might be able to help out for camp.
- Each department must turn in an employee illness tracking form. Mary will be turning ours in to our infection control nurse.
- Participated in the Sequoyah Wellness Partnership
- Attended the RSHC Employee Activity Committee - Committee decided to partner with the Boys and Girls club for our clinic philanthropy.
- Attended the Community Health Service Committee Meeting - In the planning process for a summer youth camp hosted by the clinic. After reviewing survey that was sent out we decided on 5-10 for our age groups and will accept the first 30 registration form. We will approve registration forms at the next meeting. We are tentatively planning for the camp on Friday June 26th from 8:00-3:00. Several departments have volunteered to help.
- Coordinating the YRBS at Vian HS
- Coordinating the Youth Tobacco Survey at Sallisaw HS
- On the 6th I delivered the Cherokee Nation Veteran Valentine's that were done by Sequoyah County Schools, Moffett, Liberty, and Brushy, plus some done by Salem Church.

Cherokee County

- Tobacco Control Coalition meeting with Carol Choate, Community of Excellence (CX/TSET)
- Participated in the Cherokee County Health Coalition bi-monthly meeting at Go Ye Village.
- Participated in the Cherokee County BEST Coalition meeting.
- Presented the Tobacco Tour at Talihina H.S. to more than 300 students.
- Attended the PICH Meeting with Hillary, Desirae Bloomer, Val Dobbins and Carol Choate.

Adair County

- Conducted a 1 on 1 tobacco cessation counseling session.
- Attended the Adair County Strong and Health coalition meeting in which we discussed possible plans and people to get involved to help Carson Park become tobacco-free
- Met with Brian Sitsler and John Hembree from ACE-HI to discuss a possible plan they came up with to help with getting businesses to adopt tobacco free and wellness policies for their employees. The plan is that ACE-HI would start up a workout facility in Stilwell and that participants who worked at businesses that have wellness policies would get a considerable discount on membership. The discount would also be extended to people pursuing higher education. Decreased sick days due to employees being healthier would also be an incentive for businesses
- Attended a meeting at OSU extension to update how the physical activity and nutrition competitive event for World health Day (that is in April) is coming along. The event would have 5 components that would have 3 physical activities and 2 nutrition components. The School that ranks the highest in percentage of involvement and completion of its students (percentage helps all schools to be on an equal playing field because their attendance could vary greatly if you just counted the number of students) gets a trophy that would travel every year and recognition in the local paper. All participants would get a t-shirt from and OSU extension grant
- Attended a meeting at OSU extension to update how the physical activity and nutrition competitive event for World health Day (that is in April) is coming along. The event would have 5 components that would have 3 physical activities and 2 nutrition components. The School that ranks the highest in percentage of involvement and completion of its students (percentage helps all schools to be on an equal playing field because their attendance could vary greatly if you just counted the number of students) gets a trophy that would travel every year and recognition in the local paper. All participants would get a t-shirt from and OSU extension grant
- Helped with YRBS in Tahlequah
- Helped with YRBS in Vian
- Attended the OSU Extension Meeting : planning a health fair for all our schools in Adair County with the Adair County 4-H Department. Promoting drinking more water and fresh vegetables to our students and hoping to put on some healthy food demonstrations as well.

- Go Red for Native American Women in Norman OK 2-20-14 Growing Kitchen Gardens: Producing Food for individual and family use. Jimmy H Conway, M.D. developed an interest in plant-based nutrition. Another presenter gave out survival guides on how to shop in supermarkets and what to order when you are eating out.
- OSU Extension office will be having students sign a pledge card declaring to stay tobacco free.
- Participated in What Smart Women need to know: Women and Heart Disease, Tina Babb suffered from a heart attack at 36 years old. She was a closet smoker which lead to her early heart attack.
- OSU Extension office will challenge Adair County Students to become more physical Active at home and school.
- Tai Chi Demonstration with Gail Boe, MS

Rogers County

- Counseled with patients who are ready to make a quit attempt, assisted with their prescription request of Chantix ,Nicotine patch, or just information.
- Presented to 24+ Wickliffe Elementary pre-K, and kindergarteners on harmful effects of commercial tobacco.
- Presented to 70+ Locust Grove Early Learning Center kindergarteners and 1st grade students the harmful effects of commercial tobacco.
- Assisted lead teacher with 24+ elementary students at Wickliffe in PE class activities.
- Assisted lead teacher with 70+ elementary students at Locust Grove Early Learning Center with PE class activities
- Clearing brush cutting trees at the Cherokee owned property Kiddy Park in Locust Grove, new playground equipment has been ordered and should arrive within [2] weeks.
- Attending HOPE Coalition/Mayes County meetings to learn more about Farm to School, Farmers Market, etc. and how we can get these programs implemented into our schools/communities.
- Salina AMO Health Clinic hosted the Oklahoma Blood Institute with 16 individuals participating in the community blood drive.
- Assisted with the Cherokee/Nation Healthy Nation Youth Risk Behavior Survey [YRBS] at Locust Grove High School with 65+ students participating.
- Assisted with [YRBS] at Pryor Jr. High with 90+ students participating.
- Working w/ area SWAT teams on Kick Butts Day 2015.
- Finished a Freedom from Smoking Class in Pryor w/ 4 participants “graduating”.
- *Initiate a “Tobacco Free Worksite” workgroup to help Mayes County businesses/companies go tobacco free.
- Started 3 Freedom from Smoking classes at Dal-Tile in Muskogee, OK. w/ 20 participants.
- Conducted School Health Index (SHI) w/ Roosevelt Elementary School in Pryor.
- Met w/ new partner on Collinsville Moonlight 5K
- Conducting School Garden Surveys in Mayes County Schools
- Conducting Farm to School Assessment Surveys to Mayes County Schools
- Planning on National Nutrition Month activities
- Discussions on youth camp/Beat the Heat race
- Provided 3 Triple P parenting seminars at the Early Learning Center in Pryor (15 participants).
- Continuing on the MAPP process for Mayes County w/ Turning Point & Mayes County HOPE.
- Participated in Youth Risk Behavior Survey (YRBS) in several area schools.
- **Health Facilities-** Health Facilities staff opened 123 work orders, completing 101. Safety Officer investigated the reason that nurses were getting rashes at Salina Health Clinic, wrote a report with findings. Moved Quality Management program from Healthy Living Campus to WW Hastings Indian Medical Center Annex building. Modified door at Three Rivers Health center adding panic hardware permitting staff to exit. Requisitioned annual fire alarm inspections for all Health Centers. Health Vehicle inventory is **148** vehicles.
- **Public Health Nursing programs at Claremore Indian Hospital and Hasting Indian Hospital–** During February 2015, a total of **794** contacts were made with patients including **118** Home visits. **CHR** made **99** patient contacts.
- **Public Health Nursing–**the PHNs made **402 home visits** to provide services dressing changes/wound care, monitoring vital signs, education, management of medication planners, blood draws, and B12 injections,

assessment of home safety/environment, DM self-management and education. PHN staff also performed **61 post-partum follow ups**, and provided **transportation to 317 clients** to clinics, WIH, CIH and contract facilities
