Health Committee Report

October 2020

Highlights

Our patients have a choice when it comes to healthcare and the delivery of their children. Having served so many women under challenging circumstances is a true testament to the dedication of our staff at the CN WW Hastings hospital.

In the midst of a pandemic, August turned out to be a record setting month for the doctors, nurses and staff at WW Hastings Hospital. The OB department delivered **104** babies! Making this a record for live deliveries at the hospital!

The care and attention that I received from my doctor, residents, and nursing staff during my delivery and postpartum was AMAZING!
