### **A RESOLUTION OPPOSING THE ESTABLISHMENT OF AN ENERGY LINE ROUTE BYT HE PLAINS AND EASTERN CLEAN LINE IN SEQUOYAH COUNTY, OKLAHOMA LOCATED WITHIN THE CHEROKEE NATION JURISDICTIONAL AREA**

**WHEREAS**, the Cherokee Nation since time immemorial has exercised the sovereign rights of self-government in behalf of the Cherokee people; and,

**WHEREAS**, the Cherokee Nation is a federally recognized Indian Nation with a historic and continual government to government relationship with the United States of America; and,

**WHEREAS**, The Plains and Eastern Clean Line organization is proposing an energy line route to go through Sequoyah County and Sequoyah County land owners do not want it. The towers will be at least 200 feet high and it appears that this energy line will be going across the Stokes Smith Ceremonial Grounds and also along the pathway where the Trail of Tears crossed in Sequoyah County where some historical markers are located; and,

**WHEREAS**, although the Cherokee Nation does support positive environmental activities, this activity does not appear positive, landowners do not want this and it could impact Cherokee Historical Areas and Ceremonial Grounds; and, the Council of the Cherokee Nation opposes the establishment of this energy line; and, therefore,

**BE IT RESOLVED BY THE CHEROKEE NATION**, that the Council of the Cherokee Nation, on behalf of its citizens and residents in the Sequoyah County area and due to concerns of the impact on the Tribal Historical and Ceremonial Grounds, hereby opposes the establishment of this energy line by Plains and Eastern Clean Line in Sequoyah County which is within the jurisdictional area of the Cherokee Nation.
