TITLE ONE: FINDINGS, PURPOSE, DEFINITIONS

Section 100: Findings.

- A. As a sovereign, federally recognized Indian tribe, the Cherokee Nation has the power and authority to issue motor vehicle license tags to its enrolled citizens living within its territorial boundaries, in accordance with the United States Supreme Court's decision in *Sac & Fox Nation vs. Oklahoma Tax Commission*, 508 U.S. 114 (1993).
- B. A large number of the Nation's citizens have expressed support for a motor vehicle licensing and registration tag code which would authorize the Cherokee Nation Tax Commission to issue tribal tags and administer a tribal tag system within the territorial area of the Cherokee Nation.
- C. The State public school system within Oklahoma relies in part on revenue generated by the sale of automobile license tags by the State of Oklahoma. Thousands of minor children enrolled as citizens of the Cherokee Nation attend public schools in eastern Oklahoma. Therefore, to minimize the impact of the sale of automobile license tags by the Cherokee Nation Tax Commission on the public schools within the Cherokee Nation, a portion of the revenues generated by the sale of such tags should be allocated to the public schools within the Nation's territorial boundaries.
- D. As a federally funded Indian school, Sequoyah High School receives no monies from the State of Oklahoma's automobile licensing revenues. Therefore, a portion of the revenue received from the issuance of Vehicle license tags by the Cherokee Nation should be allocated to Sequoyah High School.
- E. The Cherokee Nation Immersion Program receives no monies from the State of Oklahoma automobile licensing revenues. Therefore, a portion of the revenue received from the issuance of vehicle license tags by the Cherokee nation should be allocated to the Cherokee Nation Immersion Program.

- F. The Cherokee Nation Headstart Program receives no monies from the State of Oklahoma automobile licensing revenues. Therefore, a portion of the revenue received from the issuance of vehicle license tags by the Cherokee Nation should be allocated to the Cherokee Nation Headstart Program.
- G. If possible, the Cherokee Nation should endeavor to enter into a compact with the State of Oklahoma to coordinate its motor vehicle licensing activities with those of the Oklahoma Tax Commission, to make appropriate motor vehicle licensing information available to federal, state and local law enforcement agencies, and to engage in revenue sharing for the benefit of public schools within the territorial boundaries of the Cherokee Nation.

Section 101: Purposes.

The purpose of this Act is to establish a Vehicle and Trailer licensing system within the Cherokee Nation; to raise revenues through the issuance and renewal of Vehicle and Trailer license tags and titles to enrolled citizens of the Cherokee Nation; to provide for the expenditures of said revenues for certain purposes, including an allocation of a portion of said revenues to the public schools within the territorial boundaries of the Cherokee Nation and to Sequoyah High School; and to authorize the Principal Chief to negotiate with officials of the State of Oklahoma for a compact addressing certain matters relating to the registration and licensing of motor vehicles by the Cherokee Nation Tax Commission.
