A LEGISLATIVE ACT ADDING SECTIONS TO TITLE 63 OF THE CHEROKEE NATION CODE ANNOTATED CONCERNING PUBLIC HEALTH AND SAFETY; PROVIDING A CIVIL REGULATORY SCHEME REQUIRING SEX OFFENDER REGISTRATION FOR CERTAIN INDIVIDUALS LIVING, WORKING, OR ATTENDING SCHOOL IN THE CHEROKEE NATION, AND REQUIRING NOTIFICATION TO THE COMMUNITY OF CERTAIN SEX OFFENDERS

BE IT ENACTED BY THE CHEROKEE NATION:

SECTION 1. CODIFICATION; LEGISLATIVE HISTORY.

This Act shall be codified at sections 1001 et seq. of Title 63. There is no prior legislation pertaining to this matter. All of the sections herein shall be added as new sections to the Cherokee Nation Code.

SECTION 2. TITLE 63 CNCA § 1001 SHALL BE ADDED TO READ AS FOLLOWS:

§ 1001. Short Title.

This Act, Sections 1001 et seq. of Title 63, shall be known and may be cited as the “Cherokee Nation Sex Offender Registration and Notification Act” or the “Cherokee Nation SORNA.”

SECTION 3. TITLE 63 CNCA § 1002 SHALL BE ADDED TO READ AS FOLLOWS:

§ 1002. Purpose; Findings; and Legislative Intent.

1. The Council finds that repeat sex offenders, sexual offenders who use physical violence or duress, and sex offenders who prey on children, the elderly, and the mentally impaired are sex offenders who present an extreme threat to the public safety and pose a high risk of re-offending after release from custody. The Council further finds that the privacy interest of persons adjudicated guilty of these crimes is less important than the Nation’s compelling interest in public safety. Sex offenders are extremely likely to use physical violence and to repeat their offenses, and most sex offenders commit many offenses, have many more victims than are ever reported, and are prosecuted for only a fraction of their crimes. This makes the cost of sex offender victimization to society at large, while incalculable, extremely high. The Council also finds that federal crime statistics show that one out of every three Native American women is raped in her lifetime. Moreover, Native American women experience 7 sexual assaults per 1,000, compared with 4 per 1,000 among Blacks, 3 per 1,000 among Caucasians, 2 per 1,000 among Hispanics, and 1 per 1,000 among Asian-American women.

2. The high level of threat that a sex offender presents to the public safety, and the long-term effects suffered by victims of sex offenses, provide the Nation with sufficient justification to implement a strategy that includes:

- a. Requiring the registration of sex offenders, with a requirement that complete and accurate information be maintained and accessible for use by law enforcement authorities, communities, and the public.
- b. Providing for community and public notification concerning the presence of sex offenders.
- c. Prohibiting sex offenders from working with children or the elderly, either for compensation or as a volunteer.

3. The Nation has a compelling interest in protecting the public from sex offenders and in protecting children and the elderly from predatory sexual activity, and there is sufficient justification for requiring sex offenders to register and for requiring community and public notification of the presence of sex offenders. Further, the Nation’s control over internal relations is effected by the presence of sex offenders within the community and the regulation of such individuals is necessary to protect the health and welfare of the Nation’s citizens.

4. It is the purpose of the Council that, upon the court’s written finding in a civil proceeding that an individual is a sex offender with a relationship to the community, in order to protect the public, it is necessary that the sex offender be registered with the Marshal Service and that members of the community and the public be notified of the sex offender’s presence in the community. The designation of a person as a sex offender is neither a sentence nor a punishment but simply a status designation.

5. By adopting the simple remedy of providing information regarding convictions for sex offenses to the public, the Nation assists communities in being better able to protect themselves through their increased awareness.

6. It is the intent of the Council to address the problem of sex offenders by:

- a. Requiring sex offenders to register with the Marshal, as provided in this Act; and
- b. Requiring community and public notification of the presence of a sex offender, as provided in this Act.

7. The Council further declares that it is the policy of the Nation to require the exchange, in accordance with this Act, of relevant information about sex offenders among public agencies and officials and to authorize the release in accordance with this Act of necessary and relevant information about sex offenders to members of the general public as a means of assuring public protection and that the exchange or release of that information is not punitive.

8. It is also the intent of the legislature to address the mandate of the United States that Indian tribes comply with federal law requiring tribal registration of sex offenders living, working, or attending school within their jurisdictions or to lose tribal jurisdiction over such registration to the state should the tribe fail to comply, as provided in Section 127 of the Adam Walsh Act (PL 109-248, July 27, 2006). The regulation of sex offenders thereby directly effects the political integrity

of the Nation and regulation of such individuals directly effects tribal self-government.

9. The Cherokee Nation Marshal Service is authorized hereby to contract or enter any memorandum of understanding or agreement with any other agency of any government or with private contractors to complete any of the duties assigned by this Act to the Marshal Service, or as necessary to comply with the federal Adam Walsh Act (PL-109-248, July 27, 2006). In any case where such a contract or agreement requires a waiver of sovereign immunity by the Cherokee Nation, the Principal Chief is hereby authorized to sign such waiver without seeking a resolution from the Cherokee Nation Council.

For purposes of this act with respect to juvenile offenders, a conviction shall include only: (1) a conviction of a juvenile who has been certified as an adult, or (2) an adjudication of delinquency of a juvenile aged fourteen (14) years or over when the adjudication was for (a) a crime involving a sexual act with another by force or the threat of serious violence, or (b) a crime involving a sexual act with another by rendering the victim unconscious or by involuntarily drugging the victim, provided that no other conviction of a juvenile or adjudication of a juvenile as delinquent shall be considered a conviction for purposes of this Act. 1. has, regardless of the date on which the offense or conviction occurred, received a conviction for a first offense for a crime or an attempt to commit a crime or conspiracy to commit a crime provided for in:

B. The provisions of the Cherokee Nation Sex Offender Registration and Notification Act shall apply:

1. to any person who is convicted of a crime, an attempt to commit a crime, or a conspiracy to commit a crime enumerated in subsection A of this section in the courts of the Cherokee Nation; and

2. to any person who is convicted of a crime, an attempt to commit a crime, or a conspiracy to commit a crime enumerated in subsection A of this section in a federal court for a crime committed in Cherokee Nation Indian Country; and

3. to any person who resides, works or attends school within the Cherokee Nation and who has received a conviction for a crime, an attempt to commit a crime, or a conspiracy to commit a crime which if committed or attempted in the Cherokee Nation, would be one of those crimes enumerated in subsection A of this section or an attempt of one of those as enumerated in subsection A of this section. For military offenses, the crimes for which an individual must register pursuant to this Act shall be those specified by the Secretary of Defense under section 115(a)(8)(C)(i) of Public Law 105-119.

C. The provisions of the Cherokee Nation Sex Offender Registration and Notification Act shall not apply to any such person while the person is incarcerated or civilly committed.

SECTION 6. TITLE 63 CNCA § 1005 SHALL BE ADDED TO READ AS FOLLOWS:

§ 1005. Sex offender screening tool.

A. The District Court shall select a sex offender screening tool to be used in determining the level of risk of a person subject to registration pursuant to the provisions of the Sex Offenders Registration Act. The court may use the tool selected by the State of Oklahoma pursuant to Section 582.5 of Title 63 the Oklahoma Statutes or a substantially similar tool that comports with the requirements of the federal Adam Walsh Act. The court may analyze other screening tools as they become available and revise or replace the existing screening tool, if warranted.

B. The chosen sex offender screening tool must use an objective point system under which a person is assigned a designated number of points for each of the various factors. The offense for which the person is convicted shall serve as the basis for the minimum tier assigned to the person. In developing or selecting the sex offender screening tool, the court shall use or shall select a screening tool that may be adapted to use the following general guidelines:

1. Tier One: a designated range of points on the sex offender screening tool indicating that the person poses a low danger to the community and will not likely engage in criminal sexual conduct;

2. Tier Two: a designated range of points on the sex offender screening tool indicating that the person

poses a moderate danger to the community and may continue to engage in criminal sexual conduct; and

3. Tier Three: a designated range of points on the sex offender screening tool indicating that the person poses a serious danger to the community and will continue to engage in criminal sexual conduct. Those persons determined by the court to be aggravated sexual offenders or habitual sex offenders shall automatically be deemed Tier Three sex offenders regardless of any screening tool.

C. An individual assigned a risk level pursuant to this section may appeal the level to the Supreme Court by filing a petition in error within thirty (30) days of the date the designation is entered. On appeal, the Supreme Court shall not modify the risk level to one below the standards required by the Adam Walsh Act. The Supreme Court may override a risk level assigned by the District Court only if the Supreme Court:

1. Believes that the risk level assessed is not an accurate prediction of the risk the offender poses to the community; and
2. Documents the reason for the override in the case file of the offender.

D. All records and files relating to a person for whom a court is required under this Act to determine a level of risk, shall be released to the court for the purpose of determining the risk level of the person. In a hearing to determine the level of the offender, the regular rules of evidence shall not apply, and the court may consider any evidence it deems relevant to the determination.

SECTION 7. TITLE 63 CNCA § 1006 SHALL BE ADDED TO READ AS FOLLOWS:

§ 1006. Designation as sex offender; Determination of offender's tier level.

A. When an offender who meets the sex offender criteria described in Section 1004 of this Act is before the court for sentencing for a current offense, regardless of whether or not the individual is sentenced to a term of incarceration, receives a suspended sentence or any probationary term, including a deferred sentence imposed in violation of Section 991c of Title 22 of the Cherokee Nation Statutes, the court must, as near as possible to the time of pronouncing the judgment and sentence, hold a separate civil hearing to designate the individual as a sex offender to whom this Act applies. At the designation hearing, the court shall:

1. Designate the person as a sex offender;
2. Make a determination of the tier level of the person using the sex offender screening tool developed or selected pursuant to Section 1005 of this title and assign to the person a tier level of one, two, or three;
3. Notify the person of the obligation to register as a sex offender as provided for in Section 1007 of this Act;
4. Notify the Marshal Service of the order of designation within 24 hours. The Marshal Service shall ensure that the sex offender's fingerprints and palm prints are taken and registration information is collected within 72 hours after receipt of the court's written sex offender designation and findings; and
5. Notify the individual of the requirements of registration and community and public notification requirements under this Act.

B. If the offender is sentenced to a term of imprisonment or supervision, a copy of the court's written sex offender finding must be submitted to the facility where the offender will be incarcerated.

C. The clerk of the court that convicts and sentences a sex offender for the offense or offenses requiring registration under this Act shall forward to the Marshal Service a certified copy of any order entered by the court imposing any special condition or restriction on the sex offender which restricts or prohibits access to the victim or to minors.

D. If any person or agency obtains information which indicates that an individual who lives, works, or attends school in Cherokee Nation Indian Country, or who has received a conviction for a crime on Cherokee Nation Indian Country enumerated in Section 1004 of this Act prior to the passage of this Act, meets the sex offender criteria but that no jurisdiction, including the Cherokee Nation or any other jurisdiction, has made a written finding that the offender is a sex offender, such person or agency shall notify the Attorney General's Office. The Attorney General's Office shall file a civil

petition with the District Court requesting that the individual be designated as a sex offender. The court shall hold a hearing to determine if the offender's criminal record meets the sex offender criteria of this Act. If the court finds that the offender meets the sex offender criteria because the offender has received a conviction for a violation of a law or laws enumerated in or similar to those listed in Section 1004 of this title, the court shall:

1. Designate the person as a sex offender;
2. Make a determination of the tier level of the person using the sex offender screening tool developed or selected pursuant to Section 1005 of this title and assign to the person a tier level of one, two, or three;
3. Make a determination as to the remaining duration of registration for any Tier One or Tier Two offender calculating the beginning of registration from the date of the individual's conviction for those who were not subject to incarceration for the offense or based on the release from custody for those subject to incarceration for the offense and providing ;
4. Notify the person of the obligation to register as a sex offender as provided for in Section 1007 of this Act;
5. Notify the Marshal Service of the order of designation within 24 hours. The Marshal Service shall ensure that the sex offender's fingerprints and palm prints are taken and registration information is collected within 72 hours after receipt of the court's written sex offender designation and findings; and
6. Notify the individual of the requirements of registration and community and public notification requirements under this Act.

If the Attorney General's Office fails to establish that an offender meets the sex offender criteria under this section, and the court does not make a written finding that an offender is a sex offender, the offender is not required to register with the Marshal Service as a sex offender. The Marshal Service, the Attorney General's Office, or any other law enforcement agency shall not administratively designate an offender as a sex offender without a written finding from the court that the offender is a sex offender. The Cherokee Nation Marshal Service and Attorney General's Office shall make every effort to register all such offenders as soon as practicable. For such offenders who are currently incarcerated, under supervision or otherwise remaining in the criminal justice system within the Cherokee Nation as quickly as possible and shall attempt to register such Tier III offenders within ninety (90) days of, such Tier II offenders within six (6) months of, and such Tier I offenders within one (1) year of the passage of this Act.

E. A person who resides, works, or attends school in Cherokee Nation Indian Country and who has not been designated as a sex offender by the Cherokee Nation District Court but who has been designated as a sexual predator, as a sexually violent predator, or by another sexual offender designation in any federal, state, military, tribal or other jurisdiction and was, as a result of such designation, subjected to registration or community or public notification, or both, or would be if the person was a resident of that jurisdiction, without regard to whether the person otherwise meets the criteria for registration as a sex offender, shall register in the manner provided in this Act and shall be subject to community and public notification as provided in this Act. A person who meets the criteria of this subsection is subject to the requirements and penalty provisions of this Act until the person provides the Marshal Service with an order issued by the court or government entity that designated the person as a sexual predator, as a sexually violent predator, or by another sexual offender designation in the federal, military, tribal, state, or other jurisdiction in which the order was issued, which states that such designation has been removed or demonstrates to the Marshal Service that such designation, if not imposed by a court, has been removed by operation of law or court order in the federal, military, state, tribal or other jurisdiction in which the designation was made, and provided such person no longer meets the criteria for registration as a sex offender under the laws of the Cherokee Nation.

SECTION 8. TITLE 63 CNCA § 1007 SHALL BE ADDED TO READ AS FOLLOWS:

- A. Any person who meets the definition of sex offender as set forth in this act shall register, in person, as follows:

C. When a person has been designated as a sex offender by the Cherokee Nation District Court, the person shall be required to register as follows:

1. For a period of fifteen (15) years, if the person is a Tier One registrant;
2. For a period of twenty-five (25) years, if the person is Tier Two registrant; and
3. For life, if the person is Tier Three registrant.

The registration period shall begin, (1) if the person is sentenced to incarceration for the registration offense, from the date the person is released from custody, or (2) if the person receives a non-incarcerative sentence for the registration offense, from the date the offender is sentenced. The information received pursuant to the registration with the Cherokee Nation Marshal Service required by this section shall be maintained by the Cherokee Nation Marshal Service for at least ten (10) years from the date of the last registration. Any person required to register by another jurisdiction shall be required to maintain such registration pursuant to Section 1006(E) of this Title.

D. Any person who:

1. has been assigned to the Tier I designation and who has been registered for a period of ten (10) years, or
2. has been assigned to the Tier III designation and was required to register on the basis of a juvenile delinquency adjudication and who has been registered for a period of twenty-five (25) years

may petition the District Court for the purpose of removing the tier level and sex offender designation and allowing the person to no longer be subject to the registration requirements of the Sex Offenders Registration Act, thereby reducing the registration period. The District Court may reduce the registration duration and lift the registration requirements for such an offender only if the offender can show by clear and convincing evidence the following:

- a. The registrant has not been convicted of any offense, regardless of its designation as a misdemeanor or felony during the registration period; and

All public agencies and employees and officials of the Cherokee Nation, and all individuals or entities acting at the request or upon the direction of any law enforcement agency, are immune from civil liability for damages for good faith compliance with the requirements of this Act or for the release of information under this Act, and shall be presumed to have acted in good faith in compiling, recording, reporting, or releasing the information. The presumption of good faith is not overcome if a technical or clerical error is made, including but not limited to errors made because information is incomplete or incorrect because a sex offender fails to report or falsely reports his or her current place of permanent or temporary residence.

Nothing in this act shall be deemed to impose any liability upon or to give rise to a cause of action against any public official, public employee, or public agency for releasing information to the public or for failing to release information in accordance with the Sex Offender Registration and Notification Act. Nothing in this act shall be construed to prevent law enforcement officers from notifying members of the public of any persons that pose a danger under circumstances that are not enumerated in the Sex Offenders Registration Act.

SECTION 16. TITLE 63 CNCA § 1015 SHALL BE ADDED TO READ AS FOLLOWS:

§ 1015. Penalties.

A. Except as otherwise specifically provided, any person required to register pursuant to the provisions of the Sex Offenders Registration and Notification Act who violates any provision of said act shall, upon conviction, be guilty of a crime. Any person convicted of a violation of this section shall be punished pursuant to Section 10 of Title 21 of the Cherokee Nation Statutes. Any non-Indian shall be subject to civil exclusion from the Cherokee Nation. Any non-Indian individual found to be in violation of this section shall be subject to a civil action for exclusion from Cherokee Nation Indian Country. Such action shall be commenced by the Office of the Attorney General by filing a petition for exclusion in the District Court. The individual shall be excluded upon a written finding, by the District Court, after notice and an opportunity to be heard being provided to the defendant, by clear and convincing evidence, that: (1) the individual is non-Indian; (2) the individual is required to register pursuant to the Sex Offenders Registration and Notification Act; and (3) the individual is residing on Cherokee Nation Indian Country in violation of this subsection. The individual shall remove himself or herself from Cherokee Nation Indian Country no less than thirty (30) days from the entry of the District Court's order that he or she is in violation of this subsection or be in contempt of court. An arrest on charges of failure to register, the service of an information or a complaint for a violation of this section, or an arraignment on charges for a violation of this section constitutes actual notice of the duty to register when the sex offender has been provided and advised of his or her statutory obligation to register under subsection 1012. A sex offender's failure to immediately register as required by this section following such arrest, service, or arraignment constitutes grounds for a subsequent charge of failure to register. A sex offender charged with the crime of failure to register who asserts, or intends to assert, a lack of notice of the duty to register as a defense to a charge of failure to register shall immediately register as required by this section. A sex offender who is charged with a subsequent failure to register may not assert the defense of a lack of notice of the duty to register. Registration following such arrest, service, or arraignment is not a defense and does not relieve the sex offender of criminal liability for the failure to register.

E. Any person who has reason to believe that a sex offender is not complying, or has not complied, with the requirements of this section and who, with the intent to assist the sex offender in eluding a law enforcement agency that

is seeking to find the sex offender to question the sex offender about, or to arrest the sex offender for, his or her noncompliance with the requirements of this section:

SECTION 20. SEVERABILITY.

The provisions of this act are severable, and if any part or provision hereof shall be held void, the decision of the court so holding shall not affect or impair any of the remaining parts or provisions of this act.
